

# Nordic Sensi® Chair

Hospital Model

Wellness Nordic

NORDIC SENSI®CHAIR

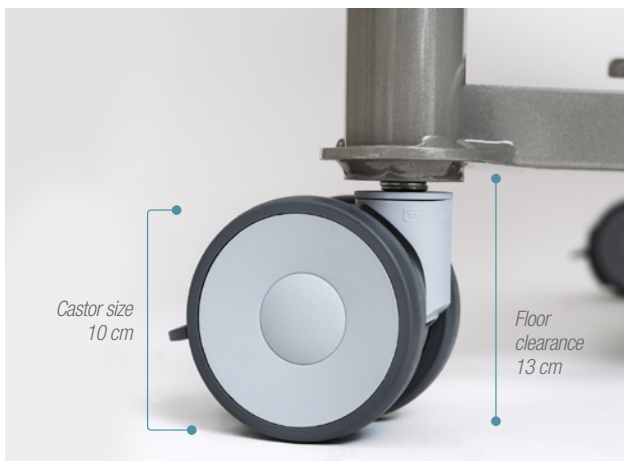

Helping people with cognitive disorders relax through soothing music, vestibular and tactile stimulation can have a beneficial effect on their wellbeing and quality of life.

The fully-automated **Nordic Sensi® Chair** combines these functions with a rocking motion to offer a unique and calming multi-sensory experience.

CE-marked according to MDR EU 2017/745.

- Built-in audio system with MusiCure® music
- 3 pre-set automatic programmes offering multi-sensory stimulation
- Easy-to-clean and disinfect, soft imitation leather
- Wheeled trolley for easy integration to patient lifters
- Swing-out and detachable armrests
- 2-layer pressure re-distribution mattress with streathable hygiene cover, Vintage blue.
- Optional: Heavy blanket and U-shaped cushion

**Nordic Sensi® Chair Hospital** is available in white, with accent colour (the armrest and the mattress cover) available in Vintage Blue.
